Re: Coronavirus Update

Dear Valued Distributor Partner,

As news of the coronavirus (COVID-19) continues to spread, we want to assure you that we continue to closely monitor the situation and recommendations of both the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO), especially with the potential impact to our employees, partners, communities, and other stakeholders.

At this time, all of our manufacturing and distribution facilities, international and domestic, are in operation and we are working diligently to minimize potential impact to our supply chain and business operations. However, we recognize this is a fluid and ever-evolving situation, so to ensure the health and safety of all our valued employees and partners, we have developed plans that will allow us to respond to changes in a timely and appropriate manner.

We will provide updates as necessary and appreciate your continued business. Should you have any additional questions, please feel free to contact our Customer Service team at 888.442.TAPE or custservice@shurtape.com.

Sincerely,

Rob DeVries
Sr. Vice President, Sales
Shurtape Technologies, LLC
